Team 10 East Houghton Mifflin Harcourt

This volume coins the term “Team 10 East” as a conceptual tool to discuss the work of Team 10 members and fellow travelers from state-socialist countries—such as Oskar Hansen of Poland, Charles Polónyi of Hungary, and Radovan Nikšić of Yugoslavia. This new term allows the book’s contributors to approach these individuals from a comparative perspective on socialist modernism in Central and Eastern Europe and to discuss the relationship between modernism and modernization across the Iron Curtain. In so doing, Team 10 East addresses “revisionism” in state-socialist architecture and politics as well as shows how Team 10 East architects appropriated, critiqued, and developed postwar modernist architecture and functionalist urbanism both from within and beyond the confines of a Europe split by the Cold War.

The Shema is arguably the most important creed the Jews, including the Christian Jews, ever have. Its importance can also be seen in the texts of the New Testament. This book attempts to explore the Shema’s influence over the Gospel of John, especially the oneness language of that Gospel. Using John 10 as a sample, this book argues that the Shema helps us to understand the richness of the text, both theologically and contextually.

Your dreams can coexist with your life Jobs. Kids. Chores. Bills. Life has an uncanny ability to get in the way of our dreams. But, this doesn’t need to be the case. In this installment of the “How to Change Your Life in 10 Minutes a Day” series, Michal Stawicki shares his techniques for extreme productivity. As a busy, working parent of three, Michal still manages to follow his dreams prolifically. How prolifically? Using the time management tips explained in “Master Your Time in 10 Minutes a Day,” Michal has managed to write over 150,000 words and publish 5 books in the last year while still making time for his family, his occupation and his life. He wrote this book to show you that anyone has the time to succeed in their passions. Written for the truly busy person Each of the techniques shared in “Master Your Time in 10 Minutes a Day” is designed to be specific, actionable and easy-to-implement for even the busiest person. They are sure to make your productivity skyrocket! “Master Your Time in 10 Minutes a Day” is written for busy people and therefore is light on philosophy and theory and instead aims to be concise and quickly read. Begin developing new habits today The first two chapters deal with the philosophy of building a productive mindset; after all, time management is all about having the right attitudes. The remainder of the book delves right into specific techniques you can easily implement. Align yourself with your true purpose If you are struggling to find life-work balance or the time to pursue your dreams, this book will quickly get you on the right track. One warning: after reading, you may find yourself with no excuses left for why you “can’t” write that novel, launch that non-profit or start that business.

Achieve "Massive Action" results and accomplish your business dreams! While most people operate with only three degrees of action-no action, retreat, or normal action-if you’re after big goals, you don’t want to settle for the ordinary. To reach the next level, you must understand the coveted 4th degree of action. This 4th degree, also know as the 10 X Rule, is that level of action that guarantees companies and individuals realize their goals and dreams. The 10 X Rule unveils the principle of "Massive Action," allowing you to blast through business clichés and risk-aversion while taking concrete steps to reach your dreams. It also demonstrates why people get stuck in the first three actions and how to move into making the 10X Rule a discipline. Find out exactly where to start, what to do, and how to follow up each action you take with more action to achieve Massive Action results. Learn the "Estimation of Effort" calculation to ensure you exceed your targets Make the Fourth Degree a way of life and defy mediocrity Discover the time management myth Get the exact reasons why people fail and others succeed Know the exact formula to solve problems Extreme success is by definition outside the realm of normal action. Instead of behaving like everybody else and settling for average results, take Massive Action with The 10 X Rule, remove luck and chance from your business equation, and lock in massive success.

When it was introduced into service in 1953, the T-10 represented a return to the "classic† Soviet heavy tank. Although considered a major threat to NATO tank forces, it also represented the end of

an era. All gun heavy tanks like the T-10 would eventually be made effectively redundant by later models like the T-62 which had powerful next generation armament and new ammunition types. The tank was gradually withdrawn from service in the 1970s, though the last tanks would only leave Russian service, by decree of the President of the Russian Federation, in 1997. As such the T-10 outlived the Soviet state that had created it. Never exported outside of the Soviet Union and rarely used in combat, the T-10 has remained a mysterious tank, with many of its variants unknown in the West until very recently. This study, written from original Russian and Ukrainian primary source documents that have only recently been made available, uncovers the history of this enigmatic tank using 130 stunning contemporary and modern photographs of the T-10 as well as full colour side-view artwork.
